

Fonus and Familjens Jurist have Entered into an Agreement with Tele2 for Internet and SD-WAN Solutions

Stockholm – Tele2 AB (“Tele2”) (Nasdaq Stockholm: TEL2 A and TEL2 B): Fonus, the largest funeral agency in the Nordics, and Familjens Jurist, Sweden's largest law firm specializing in family law, have chosen Tele2 as their provider for internet and SD-WAN solutions for their operations.

Fonus, the largest funeral agency in the Nordics, and Familjens Jurist, Sweden's largest law firm specializing in family law, both part of Fonus economic association, have selected Tele2 as their provider for internet and SD-WAN solutions. The agencies are seeking modern and scalable solutions with SD-WAN technology to improve security, flexibility, and scalability for their numerous offices. They expect improved internal processes and smoother experiences with Tele2's secure solutions and modernized design, which will enable faster and better connectivity to local offices.

- *We are proud to support Fonus and Familjens Jurist in their digital transformation. By offering innovative solutions and secure deliveries, we aim to be a reliable partner for their operations, and we look forward to creating value for them in the coming years, says Sofia Ahlmark Hyvärinen, Sales Director at Tele2 B2B.*

Fonus and Familjens Jurist sought a partner with a holistic approach to save them both time and money. By choosing Tele2, they anticipate flexible solutions enabling fast internet speeds and smooth operations during local moves. Tele2's focus on sustainability and the company's ISO certifications also played a crucial role in the selection of the provider, according to the organizations.

- *Fonus and Familjens Jurist look forward to benefiting from Tele2's comprehensive offering, excellent service, and proactivity in deliveries, says Anders Eskilsson, IT Manager at Fonus economic association.*

About Fonus economic association
