Tele2 is Europe's leading alternative telecom operator. We sell cheap and simple telecoms. Tele2 strives to offer its customers the best price. Our most important services are mobile telephony and broadband. Ever since Jan Stenbeck founded the company in 1993, we have been a tough challenger to incumbents everywhere and other established providers. Tele2 is currently in a focus period, which means we are concentrating on markets offering the most potential. Our shares are traded on the OMX Nordic Exchange. Operating revenue for 2006 was SEK 50.3 billion and we reported a operating profit (EBITDA) of SEK 5.7 billion.
